

FARM SUCCESSION WORKSHOP

A review of three real-life scenarios and multiple solutions based on your farm goals.

Scenarios Include:

- 1** Transferring the farm to children as a:
 - > Sole proprietor
 - > Partnership
 - > Corporation
- 2** Transferring to my farming children while taking care of my non-farming children
- 3** No children interested in farming – is selling my only option? If so, where do I start?
